

“How can I streamline receiving processes?”

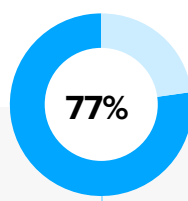

The answer's in black and white.

Shortages, order discrepancies and damages are inevitable—but is your warehouse prepared to respond efficiently? Get equipped with the tools and technologies you need to help minimize challenges while receiving, sorting and fulfilling orders better than ever before.

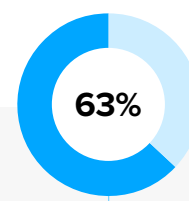

DID YOU KNOW?
In a study done with small and medium businesses:

52% of warehouse decision makers find inbound receiving, sortation and put-away among their organization's biggest operational challenges¹.

77% of warehouse decision makers believe that equipping a worker with a device or partial automation is the most optimal balance for goods and receiving operations¹.

63% of warehouse decision makers indicated it takes more than three weeks to train new staff working in receiving¹.

BENEFITS TO UPGRADING YOUR RECEIVING PROCESS

With Zebra's receiving solutions portfolio, help your warehouse:

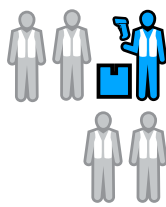

Streamline operations with more visibility

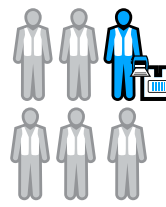

Receive, sort and fulfill with more accuracy

Verify orders upon receipt with more speed

1 out of 5 warehouses are using handheld mobile computers with built-in barcode scanners today for receiving operations¹.

1 out of 6 warehouses are using mobile barcode labels or thermal printers today for receiving operations, trailing industry-leading best practices¹.

THREE WAYS TO IMPROVE YOUR WAREHOUSE RECEIVING

Ensure traceability while eliminating errors during receiving with Zebra's mobile computers, scanners, and printers.

Zebra DNA

Get exponential power with a portfolio of intelligent software, applications and utilities designed to transform your devices into enterprise-engineered solutions.

1

Printers

Receive More Accurately with On-the-Go Printing
ZQ620 Mobile Printer

Save time and costs by printing on the spot. Ensure incoming items and materials receive a label so that check-in, putaway and automated applications are done efficiently while providing maximum benefit.

Expand Your Receiving Capabilities
ZT230 Industrial Printer

Ease your technology integration with a printer that's simple to set up, manage and maintenance. With an intuitive display and easy service, you'll keep receiving processes efficient without interruption.

2

Mobile Computers

Receive with the Ultimate, Ultra-Rugged Device
MC9300 Ultra-Rugged Mobile Touch Computer

Enhance receiving processes and capture the most challenging data with ease. With WorryFree Wi-Fi™, keep communications and information easily accessible when needed.

3

Scanners

Scan Orders with Peace of Mind
DS3608-SR/DS3678-SR
1D/2D Ultra-Rugged Scanner

Increase worker productivity and help catch errors in advance with the ability to scan barcodes on each purchase order and incoming shipment.

MAKE THE MOST OF YOUR INVESTMENT

Services

Keep your technology operating as it should with hassle-free repairs, maintenance, and support from Zebra and our partners.

Supplies

Order the supplies to match your picking needs while offering unmatched quality.

Warehouse Management System (WMS)

Track inventory, schedule shipments and optimize supply and demand chains with a modern, digital WMS.

INSTALLATION. SERVICE. SUPPORT.
